PALM SUNDAY
Today we commemorate Christ's entry into Jerusalem for the completion of the Paschal Mystery. In Liturgical Calendar preceding Vatican II, the Church celebrated Passion Sunday two Sundays before Easter, and then Palm Sunday was the beginning of Holy Week. The Church has combined the two to reinforce the solemnity of Holy Week. In the old calendar the fifth Sunday of Lent, that is: last Sunday, was called “Pasion Sunday” and it was the Sunday when all images and crosses were covered with a purple cloth in the church. Now it could be done after the liturgy of Palm Sunday, the beginning of Holy Week.

On Palm Sunday, the priest wears red vestments for Mass. Before we come into the church, there is a special liturgy at the beginning of each Mass with a simple or solemn entrance. This includes a blessing of the palms and the gospel reading of the entrance into Jerusalem (Luke 19:28-40). The palms distributed at Mass are blessed, so are sacramental. We recommend that you keep them until next year, when we will burn some of them to make the ashes for Ash Wednesday. The Gospel for the Mass is the "long Gospel" of the passion of Christ, according to the Gospel we are reading this year: St. Luke. This enables us to be eyewitnesses of Christ's Passion and Death after his solemn entrance to Jerusalem. Have a blessed week, Fr. David

Dear Parishioners,
Let us thank all the parishioners that helped with the cleaning of the church last Saturday. Thank you also to the members of the Men’s group for cleaning the grounds and the minors repairs done that day. We will also need assistance with the Easter Decorations on April 19 after the services and on April 20 at 9 am.

HOLY CROSS CEMETERY
Last Monday April 8th, the Holy Cross Cemetery committee met again to move forward in fixing our cemetery. In order to take action these items were evaluated at the meeting:
- What scope of work do we want to provide subcontractors for a maintenance agreement.
- Once scope for maintenance is decided, what frequency do we want services performed
- What needs outside of routine maintenance do we want to accomplish this season.
- What of the needs in item 3 do we want to get pricing from contractors on vs. volunteer projects led by the church. Contract language for successful bidder.

From our previous meeting, Alan Aronica explained to the group that beginning on Wednesday April 3rd CWU, will be conducting a ground penetrating survey in the cemetery to determine where the original Native American cemetery is located.

There was a cemetery walk on Thursday April 4th, where some evaluations were made, mostly to figure out what was needed and what was wanted for the cemetery. Among the observations: Grounds needs to be mowed, stones edged/cleaned, weed wack, garbage collection done weekly. Need to acquire bids for this. The ground is very uneven to walk on. Some areas need to be re-seeded for grass. Currently there are 2 cement liners sitting the front parking area. Fence lines: need to be nicely edged. Weeds and vegetation need to be eradicated from fencing.
