**Bawa Health Initiative is raising funds to acquire an ambulance for the Health Clinic in Bawa. Dear parishioners

Sunday Reflection: May 19, 2019
In the Gospel Christ promised his Apostles, the night before his death, that when he returned to the Father, the Holy Spirit would be sent to them. He would teach them all things and recall to their minds all that Christ had taught them. In other words, the Church, through the Apostles, was promised the direct assistance of the Holy Spirit in preserving and interpreting what we call "the deposit of faith" or the sum total of the divine revelation given to us for our sanctification. The Holy Spirit "breathes where he wills." He assists the local authorities in the Church. He inspires individual Christians if they call on him in their need. He inspires young people of both sexes to offer their lives to the service of the Church and their neighbor. He has inspired founders of orders and congregations to form institutes which would help the spread of the faith. There are moments of crisis in all our lives, moments when a vital decision has to be made. If that decision is wrongly made it may not only seriously interfere with our earthly welfare, but more important still jeopardize our eternal salvation. We should call on the Holy Spirit to help us daily, but we should call for his assistance especially when we have a serious decision to make.
His role in the Church and in the lives of all Christians is to preserve and protect the revelation that God has given us. There are times in the lives of many of us when we are tempted to doubt about what we are called on to believe, or to hesitate with regard to what we are called on to do. It is on such occasions that the help of the Holy Spirit is especially necessary. He will not fail us if we turn to him earnestly and sincerely.
