Stewardship Bulletin Reflection — June 2, 2019 The Ascension of the Lord

On this Feast of the Ascension, we celebrate Christ's triumphant return to the Father after perfectly accomplishing His mission on earth. But we also can also view this Feast as a celebration of the "launch day" of our commissioning as Christ's disciples.

Embracing a stewardship way of life, with its emphasis on the use of time, talent and treasure, helps us to live in such a way that our very lives speak as a witness of the Good News of the Gospel. While we take time to reflect and renew our commitments in these three areas annually as a parish family, it is of great benefit to take some time individually throughout the year to take stock of the commitments we have made — looking at both our strengths and our need for continued growth in each area.
