You are cordially invited to a **Retirement Celebration in honor of Msgr. Perron J. Auve** on Sunday, August 4, noon to 2PM at Parish of the Holy Spirit, Kennewick. No need to RSVP. Everyone welcome. Call 509-735-8558 for more information.

**The Diocese of Yakima currently has several employment opportunities available.** Complete job descriptions are available on Applitrack. <http://www.applitrack.com/yakimadiocese/onlineapp> Please contact Diana Aparicio at (509) 367-5296 or via email at [diana.aparicio@yakimadiocese.net](mailto:diana.aparicio@yakimadiocese.net) with questions. Positions are open until filled.

**Is your marriage struggling? Retrouvaille** is a ministry that offers a program to help couples improve their marriages. **The next program is September 13-15 in Spokane.** Visit [www.HelpOurMarriage.org](http://www.HelpOurMarriage.org) or call 1-800-470-2230 for more information. Strictest confidence observed.

Bishop Joseph Tyson has established a **website listing the names of priests and deacons with substantiated allegations of sexual abuse of a minor during their time of ministry within the Diocese of Yakima.** The decision is based on the bishop's desire for transparency and to encourage victims of abuse to come forward. The website is: <https://sites.google.com/a/yakimadiocese.com/abuse-disclosure-list/> *May we all continue to pray for those who suffer effects of sexual abuse in our world today.*

**Are you new to St. Andrew's Parish? We welcome you. Please fill out a registration form.**

If you want information to be printed on the bulletin, please email it to: [bulletinellensburg@gmail.com](mailto:bulletinellensburg@gmail.com). The dateline to submit bulletin news is Tuesday at 2 pm.

Dear parishioners,

Last April some human bones were discovered by a private party on the surface of a grave at Holy Cross Cemetery. Detective Christopher Whitsett with the Kittitas County Sheriff's Office, Coroner Nick Henderson with the Kittitas County Coroner's Office, Guy L. Tasa, PhD, our State Physical Anthropologist, and Mr. Miguel Rodriguez, our burial contract person, were present for the investigation. They concluded that they were non-forensic remains, then they were taking by the State Physical Anthropologist for more tests.

The interview with Mr. Rodriguez indicated that the soil on the surface of the grave from which an infant was exhumed last summer was placed by Mr. Rodriguez sometime during the winter to level out the grave after soils began to settle over the grave. This is the soil that the two human bone fragments were found. Mr. Rodriguez indicated that that soil came from the spoils pile kept in the southwestern portion of the cemetery. That soil derives from left over soils from the excavation of recent interments at the cemetery. An examination of this pile of soil revealed another human bone (a femur fragment) almost immediately. Mr. Tasa began a notification process with the Washington Native American Tribes.

The first bones were found in the "new section" of Holy Cross Cemetery. Prior to that, this section belonged to the county. The county made interments in this area (including Native American burials). Headstones were removed during the late 1950s/early 1960s. This section then, was transferred to Holy Cross Cemetery in the early 1960s.

Prior to this, we have received a petition to find Native American burials in this area with the help of CWU. A ground penetrating radar (GPR) study performed by Dr. Hackenberger with Central Washington University indicated that previous interments were located in the area where new interments were being made. We were asked that further interments in this area be suspended pending completion of the evaluation of the draft document from CWU.

The first human skeletal remains were identified as INDETERMINATE. The affected Washington tribes were informed (Colville, Nez Perce, Puyallup, Snoqualmie, Wanapum, and Yakama). Mr. Tasa was able to put a team together with some volunteers from CWU and some members from WA tribes to continue the process of screening the pile of dirt were more

bones were found. At least the remains of four individuals were recovered including two adult males, one adult female, and one juvenile (10-12 years old). Both adult males were unlikely Indian, but the other two individuals could not be determined at that point. They also recovered pieces of coffin hardware (two handles, a stud, and an unidentified piece) from at least two coffins. One coffin handle was used for an infant caskets/coffins but they did not recover any infant remains to date. The other coffin hardware appears to date from the 1870s and 1880s.

We are thankful with Mr. Tasa and all the volunteers that helped with the final screening of that pile of dirt.

Another recent issue present at Holy Cross is that the large willow tree blew down. We plan to cut the rest of the tree down, take out the pieces and clean the affected area. Work is scheduled for August 7 and 8.

**ST ANDREW'S PARKING LOT** will be sealed and striped in two phases during July 30-31. The northern half of the parking lot will be closed this Tuesday July 30. The next day, Wednesday July 31, the southern portion, that is, the entrance by Mountain View Park and the pre-school, will be sealed and striped. In that way the parking lot will be partially open for those two days.

**THE PARISH PICNIC** will be on August 3. There will be no Mass that Saturday morning because there is a bishop's meeting in Wenatchee, but I plan to do the anointing of the sick after the 5pm Mass. Please bring a side dish to share for the parish picnic.

**THE PASTORAL COUNCIL MEETING** is this Monday July 29 at 6:30 pm. The finance council met last week to complete the parish Budget which is ready to be reviewed by the pastoral Council for its approval. If it is approved, copies will be printed for the parish. I will commend on the budget next week.

Yours in Christ,

*Fr. David Jimenez*
