Dear Parishioners,

Thank you for showing me your appreciation during my 24th priestly anniversary on September 1st. I was ordained a priest by Cardinal Francis George at St. Paul Cathedral back in 1995. Since then, I have served as a pastor in five parishes including St Andrew's.

Last week marked my two years anniversary of being at this parish. It has been a pleasant experience being your pastor. Although, we have made big improvements, it is my believe that we can still grow in our faith and overcome challenges together as the Church of Christ.

We have unfortunately lost a valuable staff member of our parish. Alena Camarata resigned from her part-time position as our Elementary Religious Education Director. Her last day was on 8/29/2019. we will not open this position this year. As the lead of our church it is my responsibility of teach the faith in the parish, therefore I will be in charge of the program with the help of our new assistant.

It's been challenging for me being the only bilingual person in the office. The good news is that we have a Bilingual Assistant joining our staff. She will be help me with the Religious Education Program as well.

My name is Alexandra Ruvalcaba. I have been part of this community since 2011. Today I am a wife and a mother of two. My daughters are 7 and 3 years old. My oldest daughter is part of the Religious Education program to which I will be contributing to. I hope you allow me to help in the process of building a strong pillar in your student's religious education and to fulfill all the expectations of the program.

My load of work as a pastor and in administrative matters has decreased since Alexandra came aboard. In addition, she is of essential need in our Religious Education Program since the majority of our students' parents are monolingual speakers of Spanish.

Moreover, we are exited to announce that our Sacramental Program is ready to include parents participation throughout our students' formation. Parents play an essential part in our students' religious life, therefore it is our intention to promote their participation in our classrooms.

Sincerely,
Rev. Fr. David Jiménez
