Pope Francis wrote a letter to the Christian Faithful dated April 25, 2020. The letter includes two prayers which can be used to conclude the praying of the Rosary, which the Holy Father particularly is encouraging us to do during the month of May. The prayers implore the Blessed Mother's intercession during the coronavirus pandemic. Stewardship Reflection

The readings on this fifth Sunday of Easter present us with themes of dwelling places and home. As Christian stewards, we are well aware that this world is not our permanent home. We are merely pilgrims here, making our way through the stewardship way of life to our true home, heaven.

Yet, as we make our way to heaven, we are called to make our dwelling here — whether we are in a household of one or bursting at the seams — a true “domestic church.” In other words, the stewardship way of life begins long before we set foot on the parish grounds. Stewardship starts at home. It begins with our families, our domestic churches.

The domestic church plays a key role in our sanctification because it is the primary place where we practice intimate and selfless love of other persons.

In our Gospel passage from John, Jesus speaks of heaven as a home filled with dwelling places. “In my Father's house there are many dwelling places. If there were not, would I have told you that I am going to prepare a place for you?” This is a beautiful image of the glory that awaits us and the personal love our Lord has for us in preparing the perfect “spot” for each one of us who remain faithful to Him.

Let us respond to this great love by becoming good stewards of our earthly dwellings, making of our homes true “domestic churches” where we honor God with our prayer, our thoughtfulness to each other and our generous hospitality to all.

Let us never forget that stewardship starts at home!
