Dear Friends, Catechists & Teachers,
This week I would like to uplift the video series “YDisciple: Called: Discover Your Vocation”. God has created each of us uniquely and to a unique role in our time and our world. The video series will take one to explore the following questions: But how do we figure out what God is asking us to do? If he is calling us, why can’t we hear him more clearly? What will have to take on or give up if we follow this call? The series will allow for one to explore firsthand accounts and insights of others who’ve lived out these questions. The video series “Called” walks through the importance of vocation, how to discern vocations as much as then just a job, considering the priesthood and consecrated life, and the deeper meaning of marriage.

The video series was originally created for marriage preparation, but BELOVED is enriching and transforming marriages in homes across the globe. BELOVED is a great video series to watch with your spouse or do a virtual group with other spouses and couples during this time of pandemic.

FORMED is being offered to every Catholic in English and Spanish; a Catholic version of Netflix. FORMED is a streaming service with over 200 family appropriate movies along with sacramental preparation resources in Spanish and English. Parish code:449536
