FROM THE PASTOR'S DESK:

With the "Feast of Christ the King" we come to the last Sunday of the Church's Liturgical Year. As we don't live in a monarchy here in America perhaps it is not easy to think of Jesus as a king. His kingdom is very different from what we normally associate with royalty. Jesus' kingdom is not enclosed by borders nor is it associated with the normal trappings of kings. The Lord possessed no wealth nor did He wield any earthly power. He did not wear a crown of gold but would wear a crown of thorns. He did not dwell in a palace but was an itinerant preacher. The kingdom of Jesus exists in the hearts of all who place their faith and trust in Him. We acknowledge him as king of our lives as we strive each day to live out our faith. We live in hope that one day we will enter into His eternal kingdom.

Next Sunday we will begin a new Liturgical Year of Grace as we begin the Season of Advent. May the weeks of Advent be a time of anticipation and preparation for the Feast of Christmas. May we try to use this time in the midst of all the busyness of the season to ready our hearts to experience, in a deeper way, the presence of the Savior whose birth we will soon celebrate.

~Msgr. John T. Ferry
