### A FRESH PERSPECTIVE ON THE SUNDAY READINGS

HIS WORD TODAY by Rev. William J. Reilly

Seventeenth Sunday in Ordinary Time  
July 28, 2019

**“Jesus was praying in a certain place, and when he had finished, one of his disciples said to him, ‘Lord, teach us to pray just as John taught his disciples.’ He said to them, ‘When you pray, say, Father, hallowed be your name...”**

Jesus directed His prayer to the Father. Paul tells us we can pray only through the inspiration of the Spirit. The Trinity is found in every prayer, ‘How much more will the Father in heaven give the Holy Spirit to those who ask him?’

We, like the disciple, ask the Lord to help us to pray and to pray better. We pray in response to the Spirit’s urging. We pray in many ways, with words, in silent meditation and reflection, we pray with our hands in serving others. Jesus is ever present to lead us, strengthening our prayer life.

Let’s use an example. In teaching people how to swim we can tell them to close their mouths, kick their feet, move their arms and hold their breath. That’s teaching technique, but is not swimming. One must enter the water and try.

Prayer is no different. We learn to pray better by praying. Like swimming we are refreshed and renewed by our experience.

## 2019 CAPUCHIN APPALACHIAN MISSION

*Thank you, St. Patrick's Parish Family!*

At the weekend masses of June 22-23, we shared news of the 28<sup>th</sup> annual **Capuchin Appalachian Mission** and our roles as first-time participants. We asked you, our parish family, for your prayers and financial support for the mission trip, and you responded generously! Thank you for your well wishes, encouragement, prayers and contributions! You sent us off as missionaries to Harlan, Kentucky with hearts full of hope and gratitude.

The July 6-14 mission was very successful. Our community of 50 high-school and college students and 26 adults traveled to Kentucky via passenger vans and cargo vans. A U-Haul truck transported the 90+ boxes of donated clothing, books, and other items that we would distribute to those in need, as well as our supplies and tools. We were hosted by Holy Trinity Catholic Parish in Harlan, sleeping in their former convent and school.

From Monday, July 8 to Friday, July 12 we worked in Harlan and vicinity, performing:

**Manual Labor** – 3 teams made substantial repairs to four homes and 2 teams worked on a new home that had been started the year before.

**Outreach** – One team brought clothing, children's books and games, household essentials and other items to low-income and poor neighborhoods.

**Vacation Bible School Ministry** – One team ran a free day camp with lunch for young children.

**Senior Ministry** – Another team spent quality time engaging lonely residents at a local nursing home.

What also made this experience so special was performing service *within a Catholic community*. Not only did we work and eat together, but we also prayed together multiple times each day: morning prayer and blessing each work group; grace before every meal; personal reflection time; theological reflection groups where we shared where we had experienced God's grace in our service that day; and mass every evening.

To see photos and read more about 2019 CAM, see our parish website or the poster at the back of the church.

Thank you, fellow St. Patrick's parishioners, for helping to make all this possible. You, as well as all of our Companions in Mission, were remembered in our prayers each day.

May God bless you!

Matthew Collins and Maria Lonczak

### Food and School Supply Drive By Gabriella DeCicco

Next weekend, August 3rd and 4th, we will be collecting food for the center's Food Pantry. Nonperishable food items can be dropped off in the church vestibule and will be delivered to the Community Center of Northern Westchester.

Did you know that 37% of school children in Westchester rely on free or reduced lunches during the school year? But now that school is out, these kids need our help to fill the void. Please help by filling a bag and leaving it in the back of the church. Empty bags are available at both entrances of the church. We'll make sure that the Community Center Food Pantry receives it.

August is also the time of year when the Community Center helps children prepare for the new school year. Donate school supplies and help relieve the insecurity kids feel when they are not prepared. You can leave them in the church next weekend or stop by the Community Center and drop them off yourself.

As you prepare your own children for the upcoming school year, if there are school clothes that they have outgrown, consider bringing them to the Community Center as well. Volunteers at the Community Center work to help ease the burden on families but it's up to all of us to help make sure children get off to a good start!

If you're planning to be away and can't participate but would like to help, please consider making a monetary donation at [www.communitycenternw.org](http://www.communitycenternw.org).
