Our Lord Jesus Christ King of the Universe - November 24, 2019

From the Pastor's Desk:

This Sunday marks the last Sunday of the Church's Liturgical Year as we celebrate the Feast of Christ the King. While there is nothing in the life of Jesus that speaks to us of what we normally think about concerning royalty, we acknowledge Him as the Lord and King of the universe. Our Lord did not seek power nor did he possess the wealth of earthly kings. His kingdom was not contained by boundaries, but exists in the hearts of all who place their faith in Him. On December 1st, we will begin a new Liturgical Year on the First Sunday of Advent. As we strive to follow Christ our King, let us strive to be faithful to Him now as we look forward to entering His eternal kingdom in heaven.

This Thursday, we will pause to celebrate Thanksgiving Day. It is our annual opportunity to give thanks to God for all we have and all that we are. We count the blessings that we have been given to us by God. Giving thanks to God, of course, is not something we should reserve for one day out of the year. Gratitude to God should be a part of our ongoing relationship with Him. We thank God for the bounty we enjoy in the meal we will share. We also thank God for our life, our faith our families and our friends. I wish all of you and your families a very Happy Thanksgiving!

Msgr. John T. Ferry, Pastor
