## ***CONFIRMATION NAME SELECTION***

*Your name gives you an identity.*

Now that you are about to be Confirmed, it is time to choose the name you will take as a sign of your growth in faith. Since Confirmation is an extension of Baptism you may wish to reaffirm your Baptismal commitment by using your Baptismal name (if that of a saint). Otherwise, you could take the name of a person whom you admire – a person who gives (or gave) witness to Christ's love in the world. The only limit that is placed on your choice is that it must be a saint's name (or a variation of that name).

**PRINT YOUR FULL NAME (including middle name)**
