

Confirmation Saint Shield Project

The goal of this project is to display your knowledge about the Saint whose name you have chosen as your Confirmation name. The Saint shields of each Confirmation class are proudly displayed in the Church during your Sacrament and after.

Directions: Use the knowledge you gained during your research for your Saint essay to create a shield that represents your Saint. Cut out the shield on the following page. If possible, strengthen or bulk up the shield shape with cardstock, cardboard or something of similar thickness for durability in the same size and shape. Please be creative! Use colors, stickers, pictures, words, prayers, glitter, glue, decorative paper, markers, etc.

2. Your Saint's name
3. A current (within the last year) wallet size photo of yourself
4. Information/items/pictures/prayers that represent your Saint
