This year the **5th Grade RE class** has been learning about Catholic Social Teaching. They have been discussing that all people should be treasured and respected as members of the human family! **This has led to their Advent Project. Look for the students at the doors of the church as you leave Mass today.**

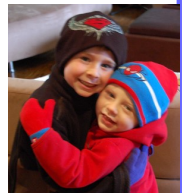

At all the Masses this weekend, they are asking the parish for donations to raise funds needed to help purchase a farm animal thru **HEIFER INT'L**, an organization dedicated to sustainable development for people in under-developed countries. We are however, asking all the RE students to also put into action what they are taught. **The students are giving some of their own allowance by doing extra chores for their families, earning additional monies to put toward the Advent Project.**

Thank you to Ms. Eustine, the 5th Grade RE teacher, who introduced the idea to her students for this project and organized all the details.

Thank you for supporting this just cause, and we will keep you posted on the results!
