Stewardship Thought

We are accountable for the gifts God has given us on Earth – our time, talent, and treasure. One day each of us will be asked by God what we did with those gifts. How will you respond? Today's reading from St. Paul explains the "divine economy" of stewardship – "The relief of others ought not to impoverish you; there should be a certain equality. Your plenty at the present time should supply their need so that their surplus may in turn one day supply your need."
