Straight and Narrow's Rehab Facility Destroyed by Fire.

Last Saturday, Straight and Narrow's 410 facility was destroyed by a fire. Straight and Narrow is the largest non-profit drug and alcohol rehabilitation organization in the country, and is operated by Catholic Charities in the Diocese of Paterson. Thankfully, no one was harmed. On the back of this flyer is the Straight and Narrow Fire Wish List. The collection begins today and will continue all week through Sunday, September 8th. Bins are at the exits of the Church.

For monetary and gift card donations, baskets are located at the exits of the church. To write a check, please make it payable to Saint Joseph Church with "fire" in the memo line.

With your help, Straight and Narrow will rebuild and continue to provide hope for those in recovery.
