Help Us Reopen!

Your generosity and support during the Covid-19
 Crisis is essential for the reopening of our
 parish and is deeply appreciated.

The roof repairs of \$14,800 as well as the recent dam-
 age of the interior of the Church above the Altar have
 depleted the Church finances .

FURTHER EXPENSION

LIVE STREAMING AT ST. PETER'S CHURCH

Livestream Masses from St. Peter's have proven to be
 very popular these past months. Hundreds of families
 watch our **Sunday Masses** via our Website, Facebook and
 Apple TV (Boxcast app). Our parishioners tune in from all
 over the country!

In light of this, we have decided to upgrade from the tem-
 porary AV installation we currently use to a permanent bet-
 ter quality system. You will see better quality image and
 camera views than with the fixed camera we used tempo-
 rarily.

Weekday Masses at 12:30PM, Holy Hour and
ALL the Sunday Masses are live streamed.
 Here is the link : <https://spcolr.org/live>.

This upgraded system will also allow us to broadcast
Baptisms, Weddings, First Communion and
Confirmations.

Giving the continuing reality of **Covid-19 Crisis**, we con-
 sider this upgrade a necessary and vital enhancement to the
 mission of our Parish.

We would really appreciate your support to defray to
 defray the balance of \$8,000 that is due for the system. (We
 also have to pay a monthly fee of \$99 for the public broad-
 cast.).
