## Help Us Reopen!

Your generosity and support during the Covid-19 Crisis is essential for the reopening of our parish and is deeply appreciated.

The roof repairs of \$14,800 as well as the recent damage of the interior of the Church above the Altar have depleted the Church finances .

## FURTHER EXPANSION

### LIVE STREAMING AT ST. PETER'S CHURCH

**Livestream Masses** from St. Peter's have proven to be very popular these past months. Hundreds of families watch our **Sunday Masses** via our Website, Facebook and Apple TV (Boxcast app). Our parishioners tune in from all over the country!

In light of this, we have decided to upgrade from the temporary AV installation we currently use to a permanent better quality system. You will see better quality image and camera views than with the fixed camera we used temporarily.

**Weekday Masses at 12:30PM, Holy Hour and ALL the Sunday Masses are live streamed.**  
Here is the link : <https://spcolr.org/live>.

This upgraded system will also allow us to broadcast **Baptisms, Weddings, First Communions and Confirmations.**

Giving the continuing reality of **Covid-19 Crisis**, we consider this upgrade a necessary and vital enhancement to the mission of our Parish.

**We would really appreciate your support** to defray the balance of \$8,000 that is due for the system. (We also have to pay a monthly fee of \$99 for the public broadcast.)

**Donations may be made at**
