SPECIAL PROJECTS

The St. Peter's parish council has been exploring the possibility of installing a lift to make the church basement accessible to all. Recently the council met with a representative of a lift manufacturer to get more information, and recommendations. We as a council have come to agreement to proceed with this project for the benefit of many of our parishioners. More details will follow soon. Please contact any of the council members with your input, questions and concerns. We will not proceed with this project until we have clear directive from our parish members to do so. At the same time we must begin our pledging to firm-up our finances. We as a council feel this is a MUCH NEEDED project, that will benefit many of our members, but also visitors to St. Peter. Your council members are Bob Bollman, Jerry Kelly, Craig Kleve, Sue Massman, Michelle Schaefer, & Damien Matt.

FLOWERS - If anyone would like to make a donation towards the cost of the outdoor flowers at IC, please put your donation in an envelope marked "Outdoor Flowers" and place the envelope in the Sunday collection basket. Thank You!
