

ST. HELEN'S steps to having a HEALTHY and HOLY Hour

- 1** Every person *MUST* disinfect the chair they sat in during their time.
- 2** Every person *MUST* wear a mask during their *ENTIRE* time.
- 3** *REGULAR* (scheduled) *ADORERS* take priority if the chapel has 6 people. Please be considerate.
- 4** If an adorer does not arrive for their hour or if you arrive and the tabernacle doors are shut, see the instructions in front of the monstrance.

Thank you

St. Helen Staff will disinfect the chapel and restroom 4 TIMES a day.
