OUR NEW PARISH APP IS HERE

At St. Patrick Parish we are pursuing new opportunities to foster a stronger parish life and responding to needs expressed from our Faith Enrichment Survey conducted this year. As a part of these efforts we are happy to announce that St. Patrick Parish now has its own app for Apple and Android phones.

Many great features will be a help to all of us, such as, daily Mass readings, Catholic news, prayers and prayer reminders, quick access to online Giving, Confession reminders, and our weekly bulletin. The app can also send you a reminder to silence your phone 20 minutes before the Mass you select.

So, be sure to download the app after Mass today (see notes below) or by visiting myparishapp.com or searching for myparish on your phone's app store, and stay connected with us. Please share with Deacon Michael any questions or comments at 717-347-7350 or email: gospamir@comcast.net.

You can also Scan the QR Code without sending a Text Message
