Prayer for our Men and Women in Military Service

O Prince of Peace, we humbly ask Your protection for all our men and women in military service. Give them unflinching courage to defend with honor, dignity, and devotion the rights of all who are imperiled by injustice and evil. Guard our churches, our homes, our schools, our hospitals, our factories, our buildings and all those within from harm and peril. Protect our land and its peoples from enemies within and without. Grant an early peace with victory founded upon justice. Instill in the hearts and minds of men and women everywhere a firm purpose to live forever in peace and good will toward all. Amen.

Defending Our Religious Liberty SEPT. 6, 2015
If religious liberty is not properly understood, all people will suffer and be deprived of the essential contribution to the common good, be it in education, health care, feeding the hungry, civil rights, and social services that they rely on every day. The United States Conference of Catholic Bishops (usccb.org) encourages you to stay informed and do what you can to protect religious freedom. If you haven't done so already, please voice your opposition to the federal health care mandate by calling U.S. Secretary of Health and Human Services Sylvania Mathews Burwell at 202-205-5445, and your elected representatives. Let them know that the mandate is in violation of our First Amendment right to religious freedom.
