Prayer for our Men and Women in Military Service

O Prince of Peace, we humbly ask for Your protection for all our men and women in military service. Give them unflinching courage to defend with honor, dignity, and devotion the rights of all who are imperiled by injustice and evil. Guard our churches, our homes, our schools, our hospitals, our factories, our buildings and all those within from harm and peril. Protect our land and its peoples from enemies within and without. Grant an early peace with victory founded upon justice. Instill in the hearts and minds of men and women everywhere a firm purpose to live forever in peace and good will toward all. Amen.

APOSTOLATE OF PRAYER — We pray for Bishop Michael R. Cote, Rev. John Gallagher OFM Cap, Rev. Jan Swiderski, Rev. Dariusz Dudzik, Rev. Joseph Whittel, Rev. Erik Lenhart OFM Cap, Rev. Veteran's Day of Reflection with Father Robert Marciano Wednesday November 9 @ 10am.

My brothers and sisters in Christ,

This coming November 6 – 12, our diocesan family will be celebrating National Vocation Awareness Week. We all know that each individual vocation is both a gift from God our Father who created us for a very specific purpose here on earth and ultimately to share in eternal life with Him, His Son, and The Holy Spirit. Through the efforts of our Diocesan Vocation Office, every parish has been sent excellent materials to be ordered/used, by parish families throughout this particular week. It is a great time for our priests to speak about their "vocation stories" and for the religious sisters and brothers who serve here in the diocese to do the same.

As a diocese we have been working hard to build a "culture of vocations" over the last several years. I enjoy so much and am very inspired when I visit a parish each month to lead our Monthly Holy Hour for Vocations. I especially enjoy seeing the young people who come out to pray with us for vocations and the young families also. Also, I know that the efforts of the Catholic Community of students and several of our diocesan priests have worked together the last several years at praying for vocations and growing as disciples of our Lord at St. Thomas Aquinas parish on the campus at UCONN.

Just this past June, I ordained four new priests for service in our diocese and two new permanent deacons were ordained in July. We presently have eight seminarians who are all at different junctures along the way of studies towards ordination to priesthood. These are all wonderful signs of the Harvest Master answering our prayers but we must continue. Remember that ultimately every vocation is born from the family. It is important for those who are parents to gather the family regularly in continued learning of the faith, and in sharing the sacramental life of the church regularly.

Though our weekly schedules can be overloaded with activities that include school, sports, work, study and other necessities, we must work at always taking time to be open to the Lord. He might be calling your son to the priesthood, or your daughter/son to religious life. He might be asking you to identify that in your children or to encourage someone else you may see such a call in.

Therefore, this coming November take time during this special week of prayer and awareness to open your heart, re-commit to searching or guiding someone else who may be searching to know their purpose in this world. Can you help them see what God is asking of them? Thank you as always for keeping all of our religious sisters/brothers, our diocesan priests and me your unworthy servant in your prayers. God, continue to bless our diocese with many more strong vocations to serve in your vineyard.

With every best wish, I am

Sincerely yours in Christ,

Bishop of Norwich

Defending Our Religious Liberty Nov. 6, 2016 The federal health care mandate violates religious liberty because it forces conscientious objectors to actively go against their moral principles. It also deprives those objectors of the right - a right that others continue to exercise - to do what they see as morally required. If you haven't done so already, please voice your opposition to the federal health care mandate by calling U.S. Secretary of Health and Human Services Sylvia Mathews Burwell at 202-205-5445, and your elected state representatives. Let them know that the mandate is in violation of our First Amendment right to religious freedom.
