## **75<sup>th</sup> ANNIVERSARY CELEBRATION**

### **OUR 75<sup>TH</sup> ANNIVERSARY STORY BEGINS...**

It is 1943, World War II is underway. The men are overseas, and the women are employed; car makers are making bombs and airplane parts. There are gas and food rations. The average cost of a new house is \$3,600; to rent is \$40/mo.; a gallon of gas is \$.15; a bottle of Coca Cola is \$.05; the average price for a new car is \$900.

For a period of twenty years without a church in Lebanon, Catholics were forced to travel to attend Mass. By 1943, more Catholic families moved into the area and there was a need to have a church in town. Catholics approached Fr. Francis Murphy of St. Andrew's. The Most Rev. Maurice McAuliffe, Bishop of Hartford, gave his permission. On May 1, 1943, a suitable house and one-half acre on the Route 87 side of the Lebanon Green was purchased from Alfred Card for \$4,000. During the summer, the Greek Revival house was renovated and transformed into the Saint Francis of Assisi Chapel. The first Mass would be read on August 22<sup>nd</sup>.

**THANK YOU TO THOSE WHO DONATED. Your generosity is very much appreciated.**

### **PHOTOS STILL NEEDED!**

**There is another story behind a photo...**Have you looked at a photo and saw something else happening in the background? Do you have wedding, baptism or Holy Communion photos from the Route 87 Church? You would not believe what stories the backgrounds in these photos are telling us – especially interior photos, they tell the story of church renovations that occurred over a number of years. Please see if you have something to share.
