Postcards for the Kids!

The 2nd grade and EDC students produced some AMAZING nautical postcards which we have mailed to some of OLG's Favorite celebrities. As we wait for these postcards to be returned to us (with much excitement), we wondered just how far can we spread word about OLG and our virtual auction?

We would love for you to contact family and friends, and to ask them to send a 'Postcard to OLG'. Wishing us the best of luck for our auction, tell us where they are writing from and what their connection is to OLG. Will we receive a postcard from every US State? From every country? Can we reach the other side of the world? Let's see just how far and wide the global OLG community reaches.

Postcards to be sent to: OLG, 3401 SW Myrtle St, Seattle, WA 98126

Questions? Registration troubles? E-mail Auction Chair [Hilary Reeves](#) or OLG Development Director [Rebecca Arcarese](#).
