Mother Teresa of Calcutta: "Mother Teresa's life sounds like a legend: the Albanian girl who entered an Irish order to go to India as a missionary and became an "Angel of the Poor" for countless people.

Fr. Leo Maasburg was there as her close companion for many years, traveling with her throughout the world and was witness to countless miracles and incredible little - known occurrences. In this personal portrait of the beloved nun, he presents amazing stories about her that most people have never heard, wonderful and delightful stories about miracles, small and great, that he was privileged to experience at Mother Teresa's side.

They all tell of her limitless trust in God's love, of the way the power of faith can move mountains, and of hope that can never die. These stories reveal a humorous, gifted, wise and arresting woman who has a message of real hope for our time. It's the life story of one of the most important women of the twentieth century as it has never been told before". **If you did not receive your copy for Christmas last weekend, stop by either church entrance.**
