Beginning Experience program starting Feb. 12: What if the worst thing you think could happen does and you are widowed, separated or divorced? What if life changes in the blink of an eye? How do you cope? How do you deal with the grief, loss, and pain? What do you politely tell those well-meaning people in your life who want to help you cope and start over? It's not easy. It's never easy. It hurts, but you don't have to hurt alone. Beginning Experience can help. Coping With Life Alone is a 10-week program that can help you through this emotionally trying time and it will be starting in an area near you during the week of Feb. 12. For more information call Ida Scherr 336-7106; in the Bismarck area call Marjean Schwehr 391-5411 or Brenda Blasius 989-5734; in the Minot area call Yolanda Schmidt 240-1842; and in the Dickinson area call Genie Kelley 690-2717 or Deb Bahley 590-1105 or email beofwnd@yahoo.com

Lutheran Social Services Housing: "My people will live in peaceful dwelling places, in secure homes and in undisturbed places of rest" Isaiah 32:18. Every day we see stories of HOPE for families who have obtained a place to live through LSS housing. Stories of stability for their family, stories of safe homes for their children, stories of affordable rents to fit almost every individual's budget from someone receiving only social security to someone working in a professional career, as well as stories of how our property managers treat all individuals with kindness and compassion. One such example of HOPE is being built right in our community in Beulah. New Energy Apartments will be completed by March 1, 2017. Please call John Phillips at 701-793-1999 or Leasing staff at 701-271-3207 for a free tour or an application to rent. Maybe one apartment will be just right for you or someone you know!
