99 + Effective Ways to Evangelize as a Catholic

95) Read about the saints. Tell their stories.

96) Talk to your guardian angel regularly. Ask him to send a cohort of angels and saints to be with you and others you want to help or protect.

97) Get a group of people to go out together singing Christmas carols.

98) Do Christmas "posada" processions.

99) Those times when you fail God, others, or yourself, pick yourself up and move. The only way you can ultimately fail with God is to stop trying.

OUR GOOD NEIGHBOUR PROJECT

As part of our ongoing outreach to increase the membership of our parish, this advent we are excited to launch our latest program called the "Good Neighbour Project".

We are planning to send a Christmas gift to all of the residences in our parish boundaries. The Good Neighbour Outreach Project is our way to say hello and connect with each home and apartment within our church parish boundary this coming Christmas. The total number is 2,200. We will be depositing a small package with a booklet of spiritual reflection, information about our parish, invitation to participate in our parish and of course a few Christmas goodies.

The cost of each package to the 2,200 homes is around \$3 per package. Right now, we are asking all parishioners to help out the project by sponsoring homes to receive our gift bags. With the 2,200 homes and apartment units, we need everybody's help in making this initiative a successful one. You may sponsor any number of homes that you choose.

Donation forms are available at both entrances to the church and information is also available on our parish website:

www.veronica.church

Our next hospitality week-end is December 8th and 9th.

There will also be a CWL bake sale, so come and

purchase some Christmas baking before or after you enjoy the delicious meal. This is an opportunity for us to show our hospitality to relatives, friends, neighbors and coworkers who either have been away from the church for a while or who might be interested in joining.

As you know on these weekends we have dedicated volunteers to provide food and beverages after each of our weekend Masses. It is also an opportunity for us to get to know in a deeper way our regular parishioners as well. The parish provides the setting you are asked to provide people.

The Finance committee is pleased to announce that we are close to our goal for the new furnace.

As a result we have one last monthly collection to take place on November 18, 2018, and then our debt will be paid.

Thank you to all who have been able to contribute
