Livestream Equipment Fundraiser

We have been so encouraged by the amount of appreciation and positive feedback we have received through the broadcasting of our masses online and on television.

We've realized through this endeavor that we're in need of some new audio/visual equipment within the church and we're asking for your help in raising the needed funds to make this happen. We're looking to purchase 2 new high definition cameras, a new computer, a digital sound mixer, and a video processor. These items will cost between \$7000-\$7500. If you are able and would like to contribute to this worthy project, visit our website by clicking on "Donate" and choosing "Livestream Equipment Fundraiser". You can also drop off donations at the parish office or in the collection box at weekend masses. Thank you for your support!
