THE SACRAMENTS OF HEALING

1496 The spiritual effects of the sacrament of Penance are

- reconciliation with God by which the penitent recovers grace;
 - reconciliation with the Church;
 - remission of the eternal punishment incurred by mortal sins;
 - remission, at least in part, of temporal punishments resulting from sin; -
 - peace and serenity of conscience, and spiritual consolation;
 - an increase of spiritual strength for the Christian battle.
- 1497 Individual and integral confession of grave sins followed by absolution remains the only ordinary means of reconciliation with God and with the Church.
- 1498 Through indulgences the faithful can obtain the remission of temporal punishment resulting from sin for themselves and also for the souls in Purgatory.

THE ANNOINTING OF THE SICK

1499 "By the sacred anointing of the sick and the prayer of the priests the whole Church commends those who are ill to the suffering and glorified Lord, that he may raise them up and save them. And indeed she exhorts them to contribute to the good of the People of God by freely uniting themselves to the Passion and death of Christ

OUTREACH

The Aluminum Can Program is alive and well! But our tonnage is way down from last years total. We raised about \$155. This year so far we have raised only \$101, down 1/3. I know we are better than this. It cost us nothing and it helps people among us who are in dire need of a helping hand. PLEASE! Bring cans to the walk out in the lower level of the Parish Hall, crushed please.

STEWARDSHIP AWARENESS

"For you were called to freedom, brothers and sisters. But do not use this freedom as an opportunity for the flesh; rather serve on another through love."

Galatians 5:13

We like to celebrate the fact that we are free to "live the good life." But Jesus calls us to a different kind of freedom. St. Paul reminds us that Jesus sets us free so that we can serve one another, share our gifts and promote God's work here on earth to glorify His name and not honor ourselves.
