Stewardship Awareness

"For his sake I have accepted the loss of all things and I consider them so much rubbish, that I may gain Christ. . .

Philippians 3:8

The first commandment says that we should not put other gods before the Lord. Sharing all of our gifts, our time in prayer, our talent in charitable works and our treasure to support Church needs helps us keep God first in everything. It helps us from putting other gods before God. It helps us to use our gifts for the glory of God and not for our own honor.

LOVE OF HUSBAND and WIFE

- 2392 "Love is the fundamental and innate vocation of every human being"
- 2393 By creating the human being man and woman, God gives personal dignity equally to the one and the other. Each of them, man and woman, should acknowledge and accept his sexual identity.
- 2394 Christ is the model of chastity. Every baptized person is called to lead a chaste life, each according to his particular state of life.
- 2395 Chastity means the integration of sexuality within the person. It includes an apprenticeship in self-mastery.
- 2396 Among the sins gravely contrary to chastity are masturbation, fornication, pornography and homosexual practices.
- 2397 The covenant which spouses have freely entered into entails faithful love. It imposes on them the obligation to keep their marriage indissoluble.
- 2398 Fecundity is a good, a gift and an end of marriage. By giving life, spouses participate in God's fatherhood.
- 2399 The regulation of births represents one of the aspects of responsible fatherhood and motherhood. Legitimate intentions on the part of the spouses do not justify recourse to morally unacceptable means (for example, direct sterilization or contraception).
- 2400 Adultery, divorce, polygamy, and free union are grave offenses against the dignity of marriage.
