# Promoting a Church and a World for All

## National Migration Week 2020

### January 5-11

In his 2019 World Day of Migrants and Refugees message, the Holy Father reiterates the Gospel command to avoid despising “one of these little ones, for I say to you that their angels in heaven always look upon the face of my heavenly Father” (Mt 18:10). It is not just about migrants: it is a question of seeing that no one is excluded.

A globalization of indifference has led to many of us to ignore the cries of the poor, turn our backs on the marginalized, and remain indifferent to those struggling to find a better life. We are called to help create the conditions that will lead to a better life for everyone on the planet.

From January 5-11, 2020, the Catholic Church in the United States will celebrate National Migration Week. The theme for this year’s celebration is “Promoting a Church and a World for All,” which reflects the need for Catholics to be inclusive and welcoming to all our brothers and sisters. It is a call for unity to stand in solidarity with and care for those who are excluded and marginalized.

Welcoming the newcomer and promoting a church for all counters what Pope Francis has referred to as “a globalization of indifference,” which has led to many of us to ignore the cries of the poor, turn our backs on the marginalized, and remain indifferent to those struggling to find a better life. We are called to be an active Church in support of all of God’s children, for “the Church which ‘goes forth’... can move forward, boldly take the initiative, go out to others, seek those who have fallen away, stand at the crossroads and welcome the outcast” (Evangelii Gaudium, 24).

It is with this ideal in mind – that we call for a church that welcomes, protects, promotes, and integrates all, including immigrants and refugees. These four verbs have been used by Pope Francis to frame our obligations toward migrant populations. As he expressed in his message:

**Welcoming** means, above all, “offering broader options for migrants and refugees to enter destination countries safely and legally.” We must nurture societies that aim as much as possible to include, rather than exclude. A culture of encounter that emphasizes humanity and inherent human dignity best counters anti-immigrant sentiment and welcoming is a vital step in that journey.

**Protecting** migrants “may be understood as a series of steps intended to defend the rights and dignity of migrants, independent of their legal status.” The Catholic Church has long emphasized the importance of protecting the human dignity of migrants, both through the implementation of humane policies and through their accompaniment.

**Promoting** essentially means a “determined effort to ensure that all migrants and refugees – as well as the communities which welcome them – are empowered to achieve their potential as human beings, in all the dimensions which constitute their humanity.” Of importance here is our obligation to institute practices and policies that will promote and preserve the integrity of the family, reaffirm family reunification, and make allowances for family members to work following their arrival to new destination countries.

**Integrating** emphasizes the “opportunities for intercultural enrichment brought about by the presence of migrants and refugees.” Although the initial act of welcoming migrants is an important step, it is imperative that we go further and take the necessary steps that will help them to become active, participating members of our communities.

Let us take some time during the upcoming National Migration Week to reflect on how we can better welcome, protect, promote, and integrate migrants living in our midst. How can we counter the globalization of indifference that affects us all, to some degree or another? What policies can we promote that will affirm the dignity of migrants and better secure the common good? How do we work more fully to promote a Church for all?

# Promoviendo una Iglesia y un Mundo para Todos

## Semana Nacional de Migración 2020

### 5-11 de Enero

En su mensaje de la Jornada Mundial de los Migrantes y Refugiados de 2019, el Santo Padre reitera el mandato del Evangelio de evitar despreciar a "uno de estos pequeños, porque les digo que sus ángeles en el cielo siempre miran la cara de mi Padre celestial" (Mt 18:10). No se trata solo de migrantes: se trata de ver que nadie esté excluido. Una globalización de la indiferencia nos ha llevado a muchos de nosotros a ignorar los gritos de los pobres, dar la espalda a los marginados y permanecer indiferentes a aquellos que luchan por encontrar una vida mejor.

Estamos llamados a ayudar a crear las condiciones que conducirán a una vida mejor para todos en el planeta. Del 5 al 11 de enero de 2020, la Iglesia Católica en los Estados Unidos celebrará la Semana Nacional de la Migración. El tema de la celebración de este año es "Promover una Iglesia y un mundo para todos", que refleja la necesidad de que los católicos sean inclusivos y acogedores con todos nuestros hermanos y hermanas. Es un llamado a la unidad para solidarizarse y cuidar a los excluidos y marginados.

Acogiendo con beneplácito al recién llegado y promoviendo una iglesia para todos los contrarios a lo que el Papa Francisco ha denominado "una globalización de la indiferencia", lo que nos ha llevado a muchos de nosotros a ignorar los gritos de los pobres, dar la espalda a los marginados y permanecer indiferentes ante aquellos que luchan por encontrar una vida mejor. Estamos llamados a ser una Iglesia activa en apoyo de todos los hijos de Dios, porque "la Iglesia que 'sale' ... puede avanzar, tomar la iniciativa con valentía, salir a los demás, buscar a los que se han alejado, ponerse de pie en la encrucijada y bienvenida a los marginados "(Evangelii Gaudium, 24).

Con este ideal en mente, llamamos a una iglesia que acoja, proteja, promueva e integre todos, incluidos inmigrantes y refugiados. El Papa Francisco ha utilizado estos cuatro verbos para enmarcar nuestras obligaciones hacia las poblaciones migrantes. Como expresó en su mensaje:

**Acoger** con beneplácito significa, sobre todo, "ofrecer opciones más amplias para que los migrantes y refugiados ingresen al destino" países de forma segura y legal ". Debemos fomentar sociedades que tengan como objetivo incluir, en lugar de eso, excluir. Una cultura de encuentro que enfatiza la humanidad y la dignidad humana inherente son los mejores contrarios El sentimiento y la acogida antiinmigrantes es un paso vital en ese viaje.

**La protección** de los migrantes "puede entenderse como una serie de pasos destinados a defender los derechos y la dignidad de los migrantes, independientemente de su estado legal". políticas y a través de su acompañamiento.

**Promover** esencialmente significa un "esfuerzo decidido para garantizar que todos los migrantes y refugiados, así como las comunidades que los acogen, estén capacitados para alcanzar su potencial como seres humanos, en todas las dimensiones que constituyen su humanidad". Aquí es importante nuestra obligación instituir prácticas y políticas que promuevan y preserven la integridad de la familia, reafirmen la reunificación familiar y permitan que los miembros de la familia trabajen después de su llegada a nuevos países de destino.

**La integración** enfatiza las "oportunidades para el enriquecimiento intercultural generadas por la presencia de migrantes y refugiados". Aunque el acto inicial de acoger a los migrantes es un paso importante, es imperativo que avancemos y tomemos los pasos necesarios que los ayudarán a ser activos. , miembros participantes de nuestras comunidades.

Tomemos un tiempo durante la próxima Semana Nacional de Migración para reflexionar sobre cómo podemos acoger, proteger, promover e integrar mejor a los migrantes que viven en nuestro medio. ¿Cómo podemos contrarrestar la globalización de la indiferencia que nos afecta a todos, en un grado u otro?

¿Qué políticas podemos promover que afirmen la dignidad de los migrantes y aseguren mejor el bien común?  
¿Cómo trabajamos más plenamente para promover una Iglesia para todos?

## Prayer for Migrants

O Lord, just as the Prophet Isaiah did in his time, so we in this time share your vision of hope.

We, too, have experienced the burning sands and thirsty ground of human indifference and exclusion. We mourn the suffering of our brothers and sisters from Latin America and elsewhere forced by violence, corruption and misery to leave family and everything they treasure to seek a chance at life here in our blest land.

But we know, Lord, that you yourself are a migrant. You experienced the trials of the refugee, having fled as a child with your parents, Joseph and Mary, to Egypt. We know your special love for those with no other possession but one another, and you.

Move our hearts, Lord, and the hearts of our leaders to love them as you do, to love them with your love, to be your love for migrants at the doorway of our country. Fill our hearts with your compassion. Help us to know that by loving in this way we will not be depending on our limited resources but upon the abundance of the One who with a simple blessing provided a banquet for five thousand with five small loaves of bread and two fish.

Fill us with joy and gladness as we become witnesses of your transforming work. You who call forth life from nothing and make the desert bloom, save those who call upon you. Ransom them and fill them with your joy. Accompany them with the intercession of Our Lady of Guadalupe, with San Toribio Romo, with our own San Pedro De Jesus Maldonado and all the Saints. And grant that one day we who have served them here may migrate with them to the Kingdom where you live and reign forever and ever.

Amen.

## Care of Creation Corner:

On "Care for Our Common Home", which was the much anticipated encyclical of Pope Francis on the environment, was released to the world on Thursday, June 18th, 2015. People all over the world eagerly awaited the Pope's call to save God's creation and protect the poor (who are those most harmed by ecological destruction). In response to the pope's call to promote care of our common home, the Care of Creation Team of OLMC-SJE Parish has been formed and is inviting you to engage more intentionally this coming New Year in the practice of caring for our common home. Over the course of the months, we will offer educational materials and suggestions that you can adopt personally and as a family and parish. Why not consider taking action as you begin the New Calendar year? Together we can make a difference. For further information or if you wish to be part of the parish team, please contact Sister Maco Cassetta, CND: [Cassetta.maco@gmail.com](mailto:Cassetta.maco@gmail.com). ## Cuidado de la Creación:

En "Cuidar nuestra casa común", que era la encíclica muy esperada del Papa Francisco sobre el medio ambiente, fue lanzada al mundo el jueves 18 de junio de 2015. La gente de todo el mundo esperaba ansiosamente el llamado del Papa para salvar la creación de Dios y proteger a los pobres (quién son los más perjudicados por la destrucción ecológica). En respuesta al llamado del Papa para promover el cuidado de nuestro hogar común, se formó el Equipo de Cuidado de la Creación de la Parroquia OLMC-SJE y lo invita a participar más intencionalmente este próximo Año Nuevo en la práctica de cuidar nuestro hogar común. En el transcurso de los meses, le ofreceremos materiales educativos y sugerencias que puede adoptar personalmente y como familia y parroquia. ¿Por qué no considerar tomar medidas al comenzar el nuevo año calendario? Juntos podemos hacer la diferencia. Para más información o si desea formar parte del equipo parroquial, comuníquese con la Hermana Maco Cassetta, CND: [Cassetta.maco@gmail.com](mailto:Cassetta.maco@gmail.com). ## Oración por los migrantes

Oh Señor, tal como lo hizo el profeta Isaías en su tiempo, así compartimos tu visión de esperanza en este momento.

Nosotros también hemos experimentado las arenas ardientes y el suelo sediento de indiferencia y exclusión humana. Lamentamos el sufrimiento de nuestros hermanos y hermanas de América Latina y de otros lugares obligados por la violencia, la corrupción y la miseria a abandonar la familia y todo lo que atesoran para buscar una oportunidad de vida aquí en nuestra tierra bendita.

Pero sabemos, Señor, que tú mismo eres un migrante. Experimentó las pruebas del refugiado, después de haber huido de niño con sus padres, Joseph y Mary, a Egipto. Conocemos su amor especial por aquellos que no tienen otra posesión sino el uno al otro, y a usted.

Mueve nuestros corazones, Señor, y los corazones de nuestros líderes para amarlos como tú, amarlos con tu amor, ser tu amor por los migrantes en la puerta de nuestro país. Llena nuestros corazones con tu compasión. Ayúdenos a saber que al amar de esta manera no dependemos de nuestros recursos limitados sino de la abundancia de Aquel que con una simple bendición proporcionó un banquete para cinco mil con cinco hogazas de pan y dos peces.

llénanos de alegría y alegría mientras nos convertimos en testigos de tu trabajo transformador. Tú que invocas la vida de la nada y haces florecer el desierto, salva a los que te invocan. Rescátalos y llénalos de tu alegría. Acompañarlos con la intercesión de Nuestra Señora de Guadalupe, con San Toribio Romo, con nuestro propio San Pedro De Jesús Maldonado y todos los Santos. Y concédenos que algún día nosotros, quienes les hemos servido aquí, podamos migrar con ellos al Reino donde vives y reinar por los siglos de los siglos.

**El equipo de Cuidado de la Creación** se reunirá el miércoles 15 de Enero de 2020, de 7- 8:30 p.m. Lugar Our Lady of Mount Carmel Rectory (CND Convent) Contacto Hermana Maco para más información. 914-358-9432

**Sistema de sobres:** Para ayudarnos a mantener registros precisos de sus contribuciones, le solicitamos que utilice el sistema de sobres semanal. Esto nos permite verificar sus donaciones si fuera necesario para fines fiscales. Notifique a la rectoría si cambia su dirección.
