

Parachute with the Angels & St. Catherine Laboure!

God is your pilot - Destination Heaven!

St. Joseph Vacation Bible School Registration Form

Sunday, August 7th– Thursday, August 11th
from 4:30pm – 8:00pm for anyone in grades K-6.

This year's theme is "Parachute with the Angels and St. Catherine Laboure". Kids will check in with St. Catherine, pick up a flight plan and meet their own guardian angel! They will encounter exciting characters from the bible whose own lives were transformed by the angels. Who knows they may meet Mary, the Queen of Angels on the way! Kids will have a soaring good time.

You will need to bring a sack lunch for supper each day. Snacks and drink will be provided. On Thursday, August 11th we will be celebrating Fr. Joe's retirement with Mass at 5:30pm, supper and a short program in honor of Fr. Joe with the kids singing a couple of songs.

During VBS week, the children will listen to a story of Saint Catherine Laboure' who was led by an angel to meet Mary, the Queen of Angels. They will learn the various roles that angels play in our lives along with a lot of fun music and crafts. Angels are a vital part of our faith and should not be ignored. Through unrelenting love and care our angels direct our journey through life and lead us to holiness.

Never leaving our side, these mighty ambassadors of God escort us to our heavenly home upon our death. *Parachute with the Angels* VBS will awaken in every heart an everlasting love and friendship for these angels, our faithful companions. We will once again be collecting school supplies throughout the week to be brought to Jamaica the summer of 2017.
