Absentee Voting by Mail Step by Step

- Mail the request form back to your own county board of elections.
Cuyahoga County Board of Elections
2925 Euclid Ave.
Cleveland, OH 44115

- Wait to receive your ballot in the mail from your county board of elections. If you have questions about your absentee ballot request, you should call your county board of elections (Cuyahoga County: 216.443.8683), or you can track the status of your ballot request as well as your voted absentee ballot through the Voter Toolkit at <https://www.ohiosos.gov/elections/voters/toolkit/>

- Return your voted ballot. You can send it by U.S. Mail or deliver it in person to your county board of elections, but the return envelope containing your marked ballot must either be received by your county board of elections prior to the close of the polls on Election Day (7:30 pm), or postmarked no later than November 2 and received by the board of elections no later than 10 days after the election.
- The U.S. Postal Service (USPS) estimates that it may take two to five days for your voted absentee ballot to be delivered to your board of elections by mail.
- If you are returning your voted ballot during the week before Election Day, you should take it to USPS no later than the day before Election Day and ensure it receives a postmark as follows:
 - If you use a postage label purchased at a USPS customer service window or vending machine, the date on the label is the postmark. This is the USPS-recommended way to postmark your ballot.
 - If you use postage stamps, ask that it be postmarked.

- You should not use a postage meter or an online service (such as stamps.com) to affix postage.
- It is your responsibility to make sure the ballot has enough postage.
- If you do not vote your absentee ballot and instead decide to go to your assigned polling place on Election Day, you must vote a provisional ballot.
- Note: No voted ballot may be returned to a board of elections by fax or e-mail. If a voted ballot is returned by fax or e-mail, it will not be accepted, processed, or counted.
