

## *Our Lady of Mount Carmel School*

Dear Families,

Today starts our Learn from Home Plan. I know that you've probably heard from your child's teacher(s) about their plans for their students. As I shared on Friday, the aim of our plan is to keep students in the routine of learning. Your child's daily work on what their teacher has assigned is important! We are keeping the learning going each day, from quadratic equation video chats in algebra to phonics lesson Facebook Live videos in kindergarten, learning is going on!

There might be technology pitfalls. Today we learned that our YouTube filters need to be adjusted so that students can access those videos at home. That will happen shortly. We know that there is also an adjustment period to working at home. Teachers are going to be in regular communication with you at home. Please let them know how things are going, especially if there is an issue.

Friday, March 20 is scheduled to be a professional day. Because teachers are using this day for collaboration, they will NOT be assigning work that day. Friday, March 20 will continue to be a day off from school work for our children.

We know that the best thing about OLMC is our community. Let's keep our community together. We'll be using our Facebook page to share updates and news. Please like and follow our page to stay in the know!

Tomorrow was supposed to be a dress down day. We won't be together for it, but let's still having some fun with it. Wear green tomorrow, 3/17, snap a picture and email it to [jwalters@olmcri.org](mailto:jwalters@olmcri.org) to see it featured online. Let's keep our spirit strong!

Please call or email with any questions.

Best,

Ms. Walters

Jessica Walters  
Principal
