

Descriptions

Eucharistic Adoration: The Blessed Sacrament will be exposed out of the Tabernacle in a Monstrance, followed by silence and praise, then Benediction.

Being Christian on Campus: This ecumenical event gathers several different campus ministries in one location. Come find out about St. Al's!

Authentic Friendship: How does our faith influence our human relationships? What does it mean to be a good friend? Come for a presentation and discussion!

Catholic House Party: Our two Catholic Men's Houses will be hosting a fun night of outdoor games, s'mores, volleyball, and fellowship. No alcohol... but even more fun as a result! Bring your friends!

Lower Lot Game Night: Come play in St. Al's lower parking lot and lounge! Pool, shuffleboard, table tennis, foosball, or any of the card/board games like Cribbage or Apples to Apples. Bean bags, ladder ball, hotdog roast, and homemade onion rings outside!

We can't wait to meet you here at St. Al's!!!

Morning/Night Prayer: From the Divine Office (aka Liturgy of the Hours), these liturgical prayers focus mostly on the Psalms. We will provide books. We will be walking through each step of how to pray.

St. Al's tables & booth: Look for people wearing St. Al's t-shirts at lunch each day in the Wads Dining Hall. During Wednesday dinner and Thursday lunch, we'll have a St. Al's booth outside the Wads Dining Hall with information, sign-ups, and other goodies! Meet some St. Al's people, and get involved!

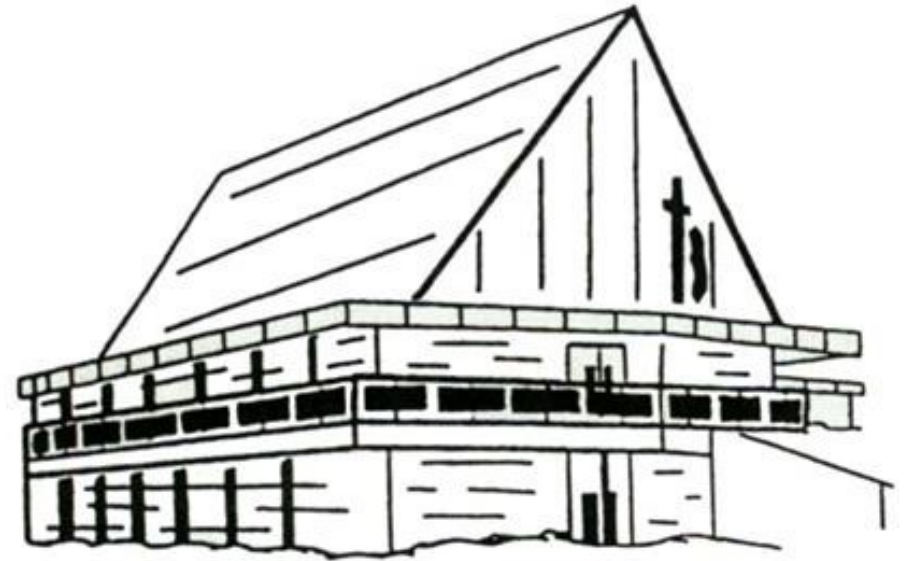

Night Hike: Come with us for a quick hike on the Tech trails. A stop for cider and Night Prayer in the woods will signal our time to turn back to campus.

Explore the Keweenaw: Travel with us to the northern part of the Copper Country to see the beauty of da UP. We will visit Bare Bluff and the mouth of the Montreal River near Lac La Belle. Several miles of hiking, lunch out in the woods!

Bonfire on Beach: We'll be heading out to Calumet Waterworks for some s'mores and hotdogs. Bring your **modest** swimsuit if you are brave enough to swim in Lake Superior!
