Catholic Social Teaching Corner:

The Gospel today tells us that the crowds were spellbound by Jesus' teaching "...because he taught with authority..." As a church, we share the privilege and responsibility of living God's truth with authority so that the whole world might hear and believe. Under the leadership of Pope Francis and Bishop Vásquez we call all to protect and defend every person throughout their lives; to promote the dignity of every person by ensuring they have what they need to live with dignity; to grow in solidarity by recognizing our common humanity with everyone. These authoritative teachings are challenging. How are you called to grow in understanding and proclaiming them?
