Catholic Social Teaching Corner:

This week, both the Gospel and first reading affirm the healing and life-giving power of God's love. Yet, we experience that death, suffering and pain are a very real part of life. Many find themselves asking: "Where is God?" The death and resurrection of Jesus is the assurance that God is with us in the midst of pain, suffering and even death and bringing us to new life. How can we hold others in their pain and suffering to help them to trust in God? Who needs the witness of your faith and love this week?

LoSF:

VBS is going on during our normally scheduled meeting time... Wednesday, July 11, 10:00, so we will meet the same day but at 2:30. We will have some snacks and coffee

GET READY TO SET SAIL! THIS WEEK, MONDAY – FRIDAY 8:30AM 1PM GRADES K-5TH

Catholic Social Teaching Corner

Today's Gospel records that Jesus was not believed or welcomed, and this lack of faith was so distressing that he could work no miracles there except for a few healings. We might wonder about the skepticism and doubt of those contemporaries of Jesus, but that attitude might keep us from recognizing that we can be just as close-minded and skeptical. We are invited this Sunday to humbly examine our own attitudes toward the poor, immigrants, and the unborn; toward church teaching on economic justice, the environment and family life. Have we hardened our hearts to God's voice and presence like those of old?
