Bible Study

AUGUST 30@ 6:30 PM

Catholic Social Teaching Corner

In the second reading this week, St. Paul uses the image of marriage to talk about Christ's love and commitment to us – the church. The long version of the reading has this crucial sentence; "Be subordinate to one another out of reverence for Christ." It is not a part of our culture to choose subordination, but as the other readings point out, we have a choice. Choosing to accept discipleship means choosing humility and deference to one another – especially those who are poor and most vulnerable. It is not easy, but it is the way that leads to eternal life and joy!
