**Catholic Social Teaching Corner**

The call to discipleship in the Gospel this Sunday is to let go of fear, simplify our lives by giving alms and to be watchful and faithful servants. For centuries, Christians have waited for the Lord to return and while we wait it is easy to be distracted, to become fearful and to forget the needs of those around us. But God is present with us in Word, sacrament and community. While we wait for the fullness of the kingdom we can experience it in the here and now if we live as disciples – without fear, with great generosity and as God's good servants.
