## St Michael's Tuesday Newsletter January 8th, 2018

Dear Parents,

Happy New Year! Check out our school display in the Snohomish Public Library Window! Thank you to Jenny Resendez and Niki Yarnot for coordinating this wonderful effort! Great kick off to the upcoming Catholic School Week.

### Catholic School Week –January 28<sup>th</sup>-February 3<sup>rd</sup>

Catholic School week is a time for Catholic Schools across the national to extend appreciation for support given to the schools –support from parents, parishioners, archdiocese, local community and staff. The theme for this year: **Catholic Schools: Learn. Serve. Lead. Succeed.** During that week we are planning an “**Information Night**” for perspective families on **Wednesday evening, January 30<sup>th</sup> at 7pm.** If you know of any families who might be interested, please let them know about the date. This evening has been a great time for staff and parents to share the story of our school to interested families.

### Measurement of Academic Progress (MAP) testing—January 14<sup>th</sup>-February 8<sup>th</sup>.

The mid-term testing is optional for our schools. We have elected to have our students participate in the testing to determine growth and provide data for the teachers to plan need instructional strategies for support and or enrichment. The students are tested in the areas of Mathematics, Language Arts, and Reading (approximately 1hr. each in the am). The testing schedule is similar to the fall testing. Below is the scheduled weeks for the testing.

**Week 1 - (January 14-16th) -Middle School**  
**Week 2- (January 22-24th)-Grades 5 & 6<sup>th</sup>**  
**Week 3—(January 28-30th)-Grades 3 & 4**  
**Week 4 – (February 4-6th) - Grade 2**

Peace,  
Karen Matthews  
Principal
