## St Michael's Tuesday Newsletter January 15th, 2019

Dear Parents,

### Great news!

The Fulcrum Foundation Board approved our School Partnership Grant Program application in the amount of \$20,000! These funds will help cover the costs of the following:

- New laptops and 3 charging carts for grades K-4th
- SAM Lams Robotics Classroom Kit
- Classroom Projectors
- Document Cameras
- Software licenses for the Library

Just a reminder that the Measurement of Academic Progress (MAP) midyear testing is beginning this week with the seventh and eighth graders. The mid-year test is optional for our schools. We elected to have the students participate in order to give them information on how well they are progressing. With this information we can help them set academic goals for the remainder of the year. We are pleased with how seriously the students respond to these tests.

### Catholic School Week Reminder:

Information Night for new perspective families—Wednesday, January 30<sup>th</sup>—7pm School. Tell you friends!

Peace,  
Karen Matthews  
Principal

The projects are priceless and we need help funding this years project. We are asking each child Preschool-8th grade to bring in \$10 to help support their project. The money can be used toward the \$250 requirement. The deadline to turn in the money is **February 4th, 2019** Please place the money or check in an envelope, on the outside of the envelope please place the child's name and teacher.
