St Michael's Tuesday Newsletter January 29, 2019

Dear Parents

As we begin our celebration of Catholic Schools Week, we are ever grateful for the privilege of serving our parish community through the ministry of Catholic education. A rigorous academic curriculum infused with the solid, life-affirming values of our Catholic culture and spirituality is at the heart of St. Michael School. We are guided by the message from Pope Francis:

The education of children and young people is such an important task in forming them as free and responsible human beings. It affirms their dignity as an inalienable gift that flows from our original creation as children made in the image and likeness of God. And because education truly forms human beings, it is especially the duty and responsibility of the Church, who is called to serve mankind from the heart of God and in such a way that no other institution can. Cardinal Jorge Bergoglio (Pope Francis)

Information Night: Gentle Reminder to encourage families who are interested in a Catholic education to attend our annual Information Night, tomorrow evening at 7pm in the school. We will begin with an overview of our school programs and mission and end with a question session and tour of the school. The Parents Club are hosting the event.

Since we are in midst of the flu season, a gentle reminder that we follow the WA State Health regulations. Please keep your sick child home for at **least 24 hours** after the fever is gone. The fever should be gone without the use of fever-reducing medicines. Hopefully the flu season will be over soon. We appreciate your cooperation.

Peace,
