St Michael's Tuesday Newsletter April 30th, 2019

Dear Parents,

This week we are sending the tuition contracts to each family with a suggested scheduled time to meet with me to discuss the tuition amount designated for each family. This is a "Fair Share" school so it is an opportunity to discuss your financial needs before determining tuition responsibility. I look forward to the meetings as this gives me an opportunity to clarify concerns and answer questions. If there is a need to change the scheduled time, please contact Cassie Chhin in the school office.

This week the teachers will send home field trip forms for the two upcoming track meets. **Note:** We need one form for each child. We are still in need of parents to carpool the children as well as chaperone/assist with events for both the 17th and the 21st. All the students will wear St. Michael School Maroon T-Shirts for the event, provided by the school. This includes the kindergarten students who will visit Hill Park on the 17th. The students love this event!

Measurement of Academic Progress MAP)- April 29th—May 24th

Beginning this week, grades 2-8th will participate in the MAP testing. This testing session will help determine academic growth for the school year. Just a reminder that **Rest!** is the best preparation for the test. We will send out the test results before the end of the school year. We could use some volunteer proctors for the test. Please contact the school office if you are interested

Peace,
Karen Matthews
Principal
