Dear Parents,

Survey-

As part of St. Michael School's guidance for growth, as validated by our Accreditation self-study, feedback in the areas of our 5-year Action Plan is helpful. The action plan target areas are Mathematics (computation and problem solving fluency) Writing Program and the Schoolwide Learning Expectations (See attached). To complete that task, we are launching an online parent survey. We encourage all of you to take part in the survey. Your input is very valuable as we gather data regarding the accomplishments of our goals. If you do not have internet accessibility at home you may use a computer here at school to complete the survey. Please contact Cassie Chhin in the school office. Here is the link for the survey: <https://www.surveymonkey.com/r/VDY3WQS>
