## St Michael's Tuesday Newsletter February 25th, 2020

Dear Parents,

I hope that your mid-winter break was a time to enjoy a more relaxed pace for a few days as well as the beauty of the sun-filled sky. How refreshing it was to have clearer and drier weather after so much rain! St. Michael's is gearing up for a few significant events, notably field trips, Science Fair, and the annual auction.

I also wish to let you know that we are preparing for our re-accreditation in winter of 2021. The teachers are working with the students to complete a self-study of our school. You have helped us already, when you completed the surveys this past fall.

### Down The Rabbit Hole Auction

Many, many thanks to the outstanding work of our Co-Chairpersons, Melinda Miller and Michelle Baden as well as the Procurement Chair, Kyla Bartelheimer along with their auction team. Thanks to their leadership, the event continues to provide needed revenue for our school.

If you need help in deciding what to procure, we have some suggestions. Please contact the school office for ideas. For example, we could put together a coffee basket which includes items such as, coffee mugs, coffee, coffee grinder, and cookies etc... or you can procure restaurant certificates for the "Bidding Frenzy".

Thanks to all of you who have turned in their donations; with this fantastic response we know this will be another successful auction. We will be calling some of you to remind you, if you signed up for auction volunteer hours, from set-up to clean up to babysitting.

Peace,

Karen Matthews

Principal

### Drop Off/Pick Up

Just a reminder that all students (Pre-K-8th) are dropped off in the morning downstairs. Our teachers use their mornings to prepare for the day. There will always be a staff member downstairs by 8:20 to supervise the children and help with drop off.
