

Supply list, grades 5 and 6

- 1 package of colored pencils (set of 8 or 12), labeled with your child's name
- 1 watercolor paint set labeled with your child's name
- 1 **small** pencil box or pouch to store 2 pencils, 2 pens, and one eraser. (Students will be assigned a drawer for extra pencils, pens, etc.)
- 3 or 4 erasers; (Some students like to have cap erasers for when the eraser on the pencil wears down. You could also get a package or two of these if your students likes them.)
- 3 packages of mechanical pencils or Ticonderoga #2 pencils. (Does your child easily lose things? Send 4 packages. Is your child meticulous about caring for his or her things? Two packages will be enough.) Each pencil should be labeled with your child's name or initials on the side of the pencil just below the eraser. A skinny Sharpie is effective for labeling.
- 1 package of red pens, each labeled with your child's name or initials
- 1 package of blue or black pens, each labeled with your child's name or initials
- 2 spiral notebooks for music and PE
- 4 two-pocket folders
- 2 packages of 3" x 5" ruled index cards
- 1 set of earbuds
- 1 USB flash drive labeled with your child's name
- 1 active Sno-Isle Library card. (This can be kept at home.)
- 1 box of tissue labeled with your child's name. (Each student will have his or her own tissue at the desk. I have many unopened boxes in my classroom that can become your child's second or third box as the year continues.)
- 1 roll of paper towels
- If your child's last name starts with A-G, please bring one package of colored Expo brand Low Odor Dry Erase markers, Chisel Tip. (Many other brands do not erase well. Please, oh please get Expo. Thank you so much.)
- If your child's name starts H-Z, please send a roll of Scotch brand Magic Tape (3/4") and 1 box of Band-Aids.
- 2 packages of wide-rule notebook paper. Students will use their own paper this year, so you may consider getting wide-rule paper in wireless notebooks such as the Mead wireless Neatbook.
- If your student is willing and able to use hand sanitizer, you may send one (about 8-ounce size) to keep at his or her desk. Label this with your child's name. These will not be shared.

Please do not send Sharpie markers. If students bring these, they will take them home again.
