Prayer In Your Life **2nd Spiritual Principle**

Since everything is in the plan of God for you, everything has purpose.

“We may not see the meaning, the purpose of why things happen, why people come into our lives or why you were placed in a certain situation. We may not see the meaning; because we don’t see the value it does not mean there is no purpose. There is a purpose. God understands things. He knows because he has a plan in His mind. He has purpose. So it’s in that purpose that we begin to see what’s happening in our lives”.-Fr.Santan Pinto SOLT(2011+)

The purpose is the honor, service and glory of God and the salvation of souls. God our Father seeks that we be fruitful, and every fruitful branch He prunes. We are all called to be perfect and holy as our Heavenly Father is perfect and holy. Therefore, in our lives nothing is useless.
