Prayer In Your Life **3rd Spiritual Principle**

God created man and woman in His own image and likeness

“In Jesus he became man. And in becoming man in Jesus it is this image and likeness that God created us to be. And we who are baptized in Christ, we become His body. We are the body of Christ. And so if we are the body of Christ that is what we are called to be, To that image and likeness, we are called to be like Christ. In Him is all the fullness of divinity. In Him is the fullness of life and joy and everything. And that is what we are called to be. He became one of us to show us the way, how we can become that image and likeness that God created us from the very beginning to be. You are made for him, you know where you belong to”.-Fr.Santan Pinto SOLT(2011+)

We have to realize this dignity is restored to us in Baptism.
