ST. ANNE PARISH MISSION STATEMENT

We, the people of St. Anne Parish, Southborough, in the Diocese of Worcester are called through Baptism to become one faith family. We commit ourselves to embody the presence of Christ in Word and Sacrament; by using our ministries to welcome all who are seeking Jesus and to share in the life and work of our Catholic faith. In the spirit and truth of the Holy Trinity, we will use our time, talents and treasure to answer God's command to love one another as He has loved us, in holy worship, prayer, Catechetical formation for all, evangelization and service to others.

Parish Information

Dear parishioners,

Greetings.

We welcomed Fr. Laudy Merilan, Pastor at our sister parish in Haiti to our parish last weekend (04/22) to share with us the current situation regarding our sister parish, St. Anne, Camp Perrin. The hurricane in 2016 devastated the church and all the surrounding buildings including the school. It was good to see that most of our parishioners that attended the 10.30 am mass came for the coffee hour to listen and inquire about the current situation there. I was asked why we did not take a second collection after that mass. As you are aware, we had taken a second collection two weeks ago for this purpose. As Fr. Laudy mentioned in his homily that his purpose for coming here was to give thanks for our generous support. He stated that we continue to help his parish especially in the rebuilding the church, school, boundary walls, paying salaries to teachers and tuitions for children. Also, we send monthly to Haiti an amount of \$300.00 through the Diocese of Worcester to continue our support. As I informed you during our meeting with Fr. Laudy, we had raised \$30, 000 two years ago when Deacon Paul was the Administrator and sent it to them to build their canteen. But the government decided to cancel the subsidy towards the canteen and so they had to drop the project. Fr. Laudy informed us that he had spent some of that money towards paying salaries to teachers and other miscellaneous works and the rest is still in the bank. He will be spending the remainder of the money towards the reconstruction of the church.

During my conversation with Fr. Laudy, I inquired about his highest priority and he said that it was rebuilding the church. So I requested him to send us the proposal/budget designed by construction engineers so that we can work towards this goal of completing the church as much as we can rather than distributing our resources to different projects. He was in favor of this suggestion and would send us blueprints once he returns to Haiti.

I would like to thank you all for your support and willingness to share your blessings with our sister parish. Let us continue to keep them in our prayers because with God's grace, everything is possible.

With prayers,
Fr. Albert

Today's Gospel reading, (John 15:1-8) tells us of our complete dependence on Jesus, the vine. The reading lets us know that for all of our strength, wisdom and ability, we are only the branches. The reading also tells us that we are expected to bear fruit. In one brilliant image, Jesus tells us who he is, who we are and what we are expected to do. He even tells us that if we do not bear fruit, his Father, the gardener, will prune away every barren branch.
