ST. ANNE PARISH MISSION STATEMENT

We, the people of St. Anne Parish, Southborough, in the Diocese of Worcester are called through Baptism to become one faith family. We commit ourselves to embody the presence of Christ in Word and Sacrament; by using our ministries to welcome all who are seeking Jesus and to share in the life and work of our Catholic faith. In the spirit and truth of the Holy Trinity, we will use our time, talents and treasure to answer God's command to love one another as He has loved us, in holy worship, prayer, Catechetical formation for all, evangelization and service to others.

In this famous miracle of Jesus we discover our loving God, who will not let us go hungry. This is the same God who sets the stars in place and builds this beautiful world in which we live.

It is the God of all creation who still takes time to distribute bread and fish to his faithful creatures. Such love. We can work our own miracles of the loaves and fishes by distributing our love to the world around us. Each of our gifts of love will leave us with more love than we can ever give. We can never run out of love as long as we keep giving it away.

Parish Information

The Missionaries of Our Lady of La Salette will be at Saint Anne Parish on **August 25 and 26** for the Annual Mission Appeal.

Having brought the fullness of Life to our world when He rose from the dead, Jesus sent his disciples to share this life with all of creation. "They went forth and preached everywhere" (MK 16:20). The Missionaries of Our Lady of La Salette minister to people of every race, language, culture and way of life—beginning at the La Salette Shrine in France where our Blessed Mother appeared in 1846. Her final words, "Well, my children, you will make this known to all my people," echo Jesus' Gospel mandate. It is little wonder that the La Salette Congregation has always been mission orientated. When called on by the Vatican to preach the Gospel in foreign lands, they eagerly responded. This spirit brought them to mission in 27 countries, especially among the poor in Angola, Argentina, Bolivia, Haiti, India, Madagascar, Myanmar and the Philippines. With your cooperation, the Missionaries of La Salette can continue to provide spiritual and financial assistance to three mission countries as they bring God's reconciling message to the poor.

***A special note about the Mission speaker, Fr. John Higgins. He is a La Salette priest who has ministered in Argentina for over 21 years and 11 years in Bolivia. As a native of the Boston area, he currently is an active ministry as a Senior Priest now serving in the Parish of Our Lady of Sorrows in Hartford, Connecticut. Fr. Higgins finds great joy in sharing his missionary experiences with the parish families as he gives the Mission Appeals.

Readings for Sunday July 29, 2018
 2 Kings 4:42-44 - Elisha: the multiplication of loaves
 Ephesians 4:1-6 - Unity in the mystical Body
 John 6:1-15 - Multiplication of the loaves

Love's Math

All four Gospels tell a story about Jesus miraculously feeding a large crowd with the lowest estimate set at 5,000 men, not including women and children. Matthew, Mark, and Luke don't tell us where the food came from; it is John's Gospel that gives us the detail of the boy who has five loaves of bread and two fish that Jesus multiplies. What was that boy's experience that day?

Probably those loaves and fish were meant to be the boy's lunch—or lunch for his whole family. The crowd had converged from the entire surrounding region, and many would have walked from many miles away. What had brought the boy there? What might he and his family have heard about Jesus? Why had they come?

Surrounded by the immense crowd out, away from the nearest town, up on a mountain, was it a difficult choice for the boy to offer his food when he didn't know where or when he would have more? We probably all know people (perhaps even ourselves) who wouldn't have let on that we had our own food among a hungry crowd. Yet something inspired the boy to share his, and Jesus used a little to feed a lot. The boy learned something that day that we all need to learn and re-learn. We can trust Jesus with whatever we have, a little or a lot, to do miraculous things.

In his song "What You Got," songwriter Billy Crockett put it into music this way: "But oh/remember the fish and the loaves/How love has a math of its own/ What you got is more than enough/ When God gets a hold/Of what you got." We can trust Jesus with whatever we have, a little or a lot, to do miraculous things.

~ The Pastoral Center

"There is a boy here who has five barley loaves and two fish; but what good are these for so many?" (JOHN 6:9)

The miracle of the Loaves and Fishes is the only miracle which is recorded six times in the Gospel. It carries two important messages. First, no matter how little we have, we always have enough to share. Second, Christ can take our share. Christ can take our humble gifts and do great things with them if we are just willing to let Him. No gift is too small or insignificant!
